- Candidates must select either Junior Varsity or Varsity prior to auditions and prepare the corresponding choreography.
- Varsity and Junior Varsity will learn different choreography reflecting different performance levels.
- The total points will be out of 50 not 100
- Daily Practice Times

## **Audition Registration and Materials**

All candidates must complete the official audition Google Form by February 20 at 3:00 PM to secure a tryout spot. The application includes parent permission, a medical waiver, and all required forms. Late or incomplete submissions will result in ineligibility to audition.

As part of the audition process, all candidates and parents must complete the Digital Tryout Packet Review, which includes watching the Tiger Belles Tryout Information Video and submitting the required acknowledgement form.

If this requirement is not completed by February 20 at 3:00 PM, the candidate will not be eligible to audition.

In addition to the online submission, candidates must complete the teacher grade verification form included in this packet. This form must be signed by all current teachers and include each class average. The completed form must be brought to the first day of tryout rehearsals on March 2nd.

---

## **Audition Procedures and Expectations**

Audition choreography will be emailed on February 27. Candidates are responsible for learning all material prior to rehearsals. Attendance at all tryout rehearsals on March 3-4 is mandatory to audition. Auditions are closed to the public.

Auditions are judged by a panel of four judges. Three judges are outside professionals, and the Tiger Belle Directors serve collectively as the fourth judge, with their scores averaged together. Candidates are evaluated on technique, style, memory, showmanship and execution, and overall impression. Audition material includes various styles of dance and the Klein Collins fight song.

## **Junior Varsity vs. Varsity Audition Selection**

Candidates must select one team level—Junior Varsity or Varsity—prior to auditions.

- Junior Varsity and Varsity candidates will learn different choreography appropriate to each team's performance expectations.
- The choreography will be completely different for each team.
- Candidates who audition for Varsity may be considered for placement on Junior Varsity if appropriate. Candidates who audition for Junior Varsity will not be eligible for placement on Varsity.

Once a team level is selected, candidates are expected to fully prepare the corresponding audition material.

---

## **Attire Requirements**

During tryout rehearsals, candidates should wear black leggings (or black pants for boys), a black form-fitting tank top or leotard with NO midriff showing, jazz shoes, pirouettes, or bare feet, hair secured in a neat high ponytail, and no gum or jewelry.

On audition day, attire remains the same with the addition of full performance makeup, including foundation, blush, neutral or dark eyeshadow, and red lipstick.

---

## **Scoring and Skill Expectations**

Junior Varsity suggested skills: double pirouette, right leap, right kick, two chaîné turns, and a stationary leap, with scores ranging from 30-39

Varsity suggested skills: triple pirouette, right leap, right kick, right tilt jump, calypso, stationary leap, toe touch, head spring, and four turns in center, with scores ranging from 40-50

## **Program Expectations and Commitment**

Tiger Belles are governed by the Klein ISD Drill Team Constitution, which is available on the Tiger Belles website. All expectations, rules, regulations, and disciplinary procedures are outlined in the constitution and demerit system and should be reviewed prior to auditions.

Membership officially begins once the team is announced on March 6 and continues through the termination date selected by the directors. Demerits and expectations begin immediately upon

team announcement. All members audition for every dance; however, placement in each routine is not guaranteed and is determined by ability, memory, and performance quality.

Varsity members are expected to travel and participate in UDA Nationals the following year. The Varsity audition process reflects these expectations and is designed to identify dancers prepared for the rigor and opportunities associated with Varsity membership.

Families must be fully aware of the financial obligations associated with the team. All fees are nonrefundable and must be paid on time. Payment plans must be discussed with the Director prior to due dates.

A physical is not required to audition; however, a physical is required before attending any summer camps. Per UIL guidelines, all members must be passing all classes in order to perform. Members who are not eligible must still attend all practices but may not perform in uniform. Professional behavior is expected at all times, including on social media.

---

## **Seasonal Requirements Overview**

Summer camp will be held July 27-31 and is mandatory. Members must also complete 15 dance hours prior to camp, with nine free hours offered at Klein Collins during June and July.

Football season runs from September through November or December and includes before- and after-school practices. Contest season runs from October through March and includes additional rehearsals, night practices, and extended Friday practices. All Tiger Belles are required to participate in the Spring Show, typically held in April or May.

---

## **Booster Club and Parent Responsibilities**

All families are required to join the Tiger Belles Booster Club, serve on a committee, and pay the Booster Club fee as outlined in the Cost Estimate section of this packet. Parents are responsible for providing transportation to and from all practices, rehearsals, and events.

---

We are excited about your interest in the Klein Collins Tiger Belles and look forward to meeting each candidate during auditions. Additional information can be found at [www.kctigerbelles.com](http://www.kctigerbelles.com).
